Summary of the Event	The IEEE GRIET SB Core Committee organised the Annual General Meeting on 23 January, 2023 to plan and discuss the annual events held by each chapter through 2023. The meeting was formally hosted by Kashyap Koutilya, who provided a quick overview of the objectives and achievements of the Student Branch in the previous year. Dr. B. Phaneendra Babu then congratulated and wished luck to all of the new core committee members, and pushed the core members to engage in more collaborative events with other colleges and to be more involved in the Hyderabad Section. Ruthvik Goggi then took the stage to review the chapter's annual events plan for the year 2023, and the final agreement was to increase the number and scope of events in order to accomplish the objectives of the student branch, keep students current with rapidly evolving technologies, and better equip them for the professional world. Following Ruthvik Goggi, the chairs and faculty advisors of PES, CS, GRSS, WIE, IAS, CAS, IES, CIS, TEMS, and RAS took the stage one by one, introduced their respective new core committee members, and reviewed the chapter's annual				

	events plan for the year 2023. The meeting concluded at 3:30 P.M. with a formal vote of thanks.

Summary of the Event	<p>On September 21, 2023, Taj Vivanta Begumpet was buzzing with aspiring students as IEEE GRIET Student Branch visited the Canam Group's admission fair and workshop. The event, offering insights into higher education opportunities in Canada, featured top Canadian universities. Collaborating with Cambridge University, the fair allowed students to interact with university representatives, learning about admission processes, tuition, internships, scholarships, and career prospects. The visit showcased IEEE GRIET's commitment to empowering students for international higher studies. In conclusion, the fair and workshop created valuable opportunities for academic excellence and promising futures for attendees.</p>
